24
Mastery University
Wealth Mastery
Wealth Mastery - San Diego, CA October 24 - 27, 2005
Eighty percent of achieving financial freedom is understanding the psychology behind it. Imagine how your life might be affected when you not only understand, but also begin applying the same strategies and tools used by the world's most successful investors and financial traders. You will have the opportunity to master strategies that can help you eliminate unnecessary risk, protect and preserve your wealth, and how to get out and stay out of debt forever.
